SMSTS Refresher Training

WHO SHOULD ATTEND

- Site Managers
- Project Managers
- Construction Managers
- Assistant Site Managers

COURSE DURATION

- 2 Days

COURSE CONTENT

To attend this course you must have a valid SMSTS certificate gained in the last five years and you must take this course before your certificate expires

The course covers;

- Current focus of the Health and Safety Executive's attention
- Risk Assessment and Method Statements
- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR)
- Behavioural Safety
- Occupational Health
- Overview and changes to the current legislation affecting construction

This is a highly interactive course taught through case studies, discussion, group work and individual or group presentations

There is a multiple choice test at the end of day 2

We can deliver this course at your venue throughout the UK, here at our training venue in Doncaster or online via Zoom
